employment

2013
- present

Freelance Graphic Designer

Provide design solutions for a large variety of clients, balancing functionality & aesthetics to create a professional end product. From printed media to web graphics, working for myself gave me creative freedom and allowed me to collaborate with clients in diverse industries.

2017
- 2019

Compass Design Group Senior Graphic Designer/Project Manager

[Formerly Wolverhampton Print Company Ltd]
I was responsible for developing the new identity and insuring the brand values where upheld I was the sole leader on various projects and managed briefs, concepts, layouts, final artwork, liaised with clients, print processes & delivered complete projects from start to finish to meet tight deadlines.

2014
- 2017

Wolverhampton Print Company Ltd Graphic Designer

Responsible for creating artwork for various clients from design briefs, working in a team environment & gaining hands on experience in print processes, machine operation & finishing.

2011
- 2013

Beacon Centre for the Blind Marketing Officer

Worked to maintain the corporate image & brand identity across all divisions of the organisation, both internally & externally. Promoted services & events through various avenues & increased overall awareness of the charity through print, photography and video making to successfully utilise YouTube and social media.

2012
- 2013

Beacon Centre for the Blind Graphic Designer / Business Development Officer

Integral member of the founding team of the social enterprise, Beacon4Print. As the sole designer I worked with a broad range of clients to develop concepts & design projects. Set up print ready artwork, gained experience in working out job costings and print production processes to produced Beacon's marketing materials in-house.

2010
- 2011

Gecko Arts & Media (Custard Factory) Art Promoter / Assistant Curator

Sourced Latin American UK based Artists, organised exhibitions & events. Handled logistics & staff including the day-to-day running of the gallery.
